Farmoz Insecticide Product Guide

INSECTICIDES

Product	Common Auger Beetle	Snails / Slugs	Grape Vine Scale	Fig Longicorn Beetle	Garden Weevil	General Thrips	Plague Thrips	Longtailed Mealy Bug	Grape Vine Moth	Light Brown Apple Moth
Alpha Scud® Elite										
Dimethoate 400										
Electra® 225										
Gusathion®										
Mavrik® Aquaflo, Klartan®										
Slugger®										
Strike-Out® 500 EC										
Strike-Out® 500 WP										
Suprathion® 400 EC										
Venom® 100 EC										

 = CONTROL

NOTE: This document is meant as a guide only. Please check the label for specific details. Variations apply in accordance with different State regulations.

Farmoz Viticulture Product Guide

INSECTICIDES

Farmoz product	Equivalent or similar competitor product	Type / Application	Control
Alpha Scud® Elite (Alpha-Cypermethrin)	Fastac®, BASF	Broad Spectrum Residual	Cutworm, Apple and Garden Weevil
Dimethoate 400	Various	Systemic	Aphids, Thrips, Mites, Queensland Fruit Fly
Electra® 225 (Methomyl)	Nudrin® 225, BASF	Contact	Light Brown Apple Moth, Vine Moth
Mavrik® Aquaflo, Klartan® (Tau-fluvalinate)	Exclusive to Farmoz	Contact Residual	Plague Thrips
Slugger® (Methaldenide)	Meta* Snail, Crop Care	Contact	Snails
Strike-Out® 500 EC (Chlorpyrifos)	Lorsban® 500 EC, Dow AgroSciences	Contact Residual	Grape Vine Moth, Grape Vine Scale,
Strike-Out® 500 WP (Chlorpyrifos)	Various	Contact Residual	Light Brown Apple Moth
Suprathion® 400 EC (Methidathion)	Supracide*, Syngenta	Residual	Grape Vine Scale, Grape Vine Moth, Longtailed Mealy Bug, LBAM, Beetles and Weevils
Venom® 100 EC (Bifenthrin)	Talstar 100*, Crop Care	Residual	Fig Longicorn Beetle

HERBICIDES

Farmoz product	Equivalent or similar competitor product	Type / Application	Control
Cameo® 500 (Oryzalin)	Surflan®, UPL	Residual	Certain grasses and broadleaf weeds
Cavalier® (oxyfluorfen)	Goal®, Dow AgroSciences	Contact Residual	Certain grasses and broadleaf weeds
Diuron 500 SC, Diuron 900 WDG	Various	Soil active Residual	Certain grasses and broadleaf weeds
Leopard® (Quizalofop-P-Ethyl)	Targa®, Dupont	Selective grass Non Residual	Certain annual and perennial grasses
Simazine 500 SC, Simazine 900 WDG	Gesatop® 500 SC, Gesatop® WDG, Syngenta	Soil active Apply to bare moist soil.	Certain annual grasses and broadleaf weeds
Spraytop® 250 (Paraquat)	Gramoxone*, Syngenta	Non Residual Contact	A wide range of annual grasses and some broadleaf weeds
Trilogy® (Trifluralin)	Various	Soil active Pre-emergence	Some annual grasses and broadleaf weeds
Wipe-Out® 450, Wipe-Out® Bio	Roundup®, Nufarm	Non Selective Non Residual	A wide range of annual and residual weeds
Wipe-Out® Plus (Glyphosate)		Systemic	

FUNGICIDES

Farmoz product	Equivalent or similar competitor product	Type / Application	Control
Chief® Aquaflo SC, Chief® Liquid (Iprodione)	Rovral®, Aquaflo, Bayer	Eradicant	Grey Mould
Axiom® MZ 720 (Metalaxyl + Mancozeb)	Ridomil®, Plus, Syngenta	Eradicant Protectant	Downy Mildew
Axiom® Plus (Metalaxyl + Copper Oxychloride)	Ridomil® Plus, Syngenta	Eradicant Protectant	Downy Mildew
Captan WG	Farmoz brand	Protectant	Black Spot, Grey Mould, Downy Mildew, Leaf Blight and Phomopsis Cane and Leaf Spot
Cavalry® 720 (Chlorthalonil)	Bravo®, Syngenta	Protectant	Downy Mildew, Grey Mould and Black Spot
Howzat® SC (Carbendazim)	Spin®, Bayer	Eradicant	Grey Mould
Mancozeb 750 DF	Dithane® DF, Dow AgroSciences	Protectant	Downy Mildew, Black Spot and Dead Arm
Triad® 125 (Triadimefon)	Bayleton®, 125, Bayer	Eradicant	Powdery Mildew

GROWTH REGULANTS

Farmoz product	Equivalent or similar competitor product	Type / Application	Benefits
Gibberellic Acid	Pro-Gibb®, Sumitomo	Growth Regulant	Promotes berry thinning, bunch elongation, berry size.
Promote® 720 (Ethephon)	Prep®, Ethrel, Bayer	Growth Regulant	Promotes early uniform colouring.
